Subject: Determination of Completeness and Technical Review – Permit Modification
Abbey Green Recycling Center, Transfer, Recycle, Resource Recovery and
Processing Facility – Permit No. 3424
Forsyth County, DIN 15462

Dear Mr. Baker:

On September 22, 2011 the Division of Waste Management (Division) received Abbey Green, Inc.'s application for a permit modification, entitled;

Abbey Green, Inc., Transfer, Recycle, Resource Recovery and Processing Facility, Permit No. 34-24, Request for Permit Modification. Prepared by Abbey Green Inc. September 2011. DIN 15211.

The Division has performed a review of you application for a determination of completeness and determined the application is complete in accordance North Carolina General Statute NCGS 130A-295.8(e). A determination of completeness means the application contains the required components in accordance with North Carolina administrative Code 15A NCAC 13B .0400. In addition to the determination of completeness the Division has completed the technical review of the application and requests that you respond to the following items in order to further process the application;

1. Provide a site map of the facility with location of the appropriate on-site activities identified.
2. Provide a drawing of the proposed modifications to the tipping floor.

Please address the issues presented in this letter and send your responses to my attention. If you should have any questions regarding this matter you may contact me at (828) 296-4704 or larry.frost@ncdenr.gov

Sincerely,

Larry Frost
Environmental Engineer
