Re: Compliance with 15A NCAC 13B .0547  
WCA of High Point Construction and Demolition Landfill (C&DLF)  
Guilford County, Permit 41-16, Document ID No. 6862

Dear Mr. Smith:

The Division of Waste Management (Division), Solid Waste Section has determined that WCA of High Point C&DLF has met the continued operation requirements stated in Solid Waste Management Rule 15A NCAC 13B .0547(2). The Division hereby approves the closure plans and post-closure plans included in the in the approved plan (DIN 6646) for the recently issued Permit to Operate Phase 1 and Reclamation Pad. A surety bond was received on June 30, 2008, in the amount estimated for the closure and post-closure of Phase 1 and in accordance with Rule .0546.

Please remember that financial assurance must be kept current and undated annually to reflect changes in the Rules, operation of the site, and inflation. The financial assurance must be increased to amount in the approved plan before a Permit to Operate can be issued for Phase 2. If you have any questions, you may contact Pat Backus at (919) 508-8525.

Sincerely,

Edward F. Mussler III, P.E.
