Re: Approval of Work Plan for Piezometer Installation  
Dunn-Erwin Landfill – Permit # 43-02  
Proposed C&D Unit  
Harnett County  
Doc ID 6554

Dear Mr. Clayton:

The North Carolina Solid Waste Section (Section) has received and reviewed the Work Plan for Installation of Piezometers at the proposed C&D landfill unit at the Dunn-Erwin Landfill submitted on December 22, 2008. Installation procedures of the two piezometers may proceed. The drilling and piezometer installation procedures should follow Rule 15A NCAC 02C .0108 in addition to Rule 15A NCAC 13B .0538(a)(4). The Site Suitability Report must bear the seal of a registered engineer and the geological studies bear the seal of a licensed professional geologist in accordance with 15A NCAC 13B .0202(3) as stated in 15A NCAC 13B .0536(b).

If you have any questions or concerns, please contact me via email [elizabeth.werner@ncmail.net](mailto:elizabeth.werner@ncmail.net) or phone (919) 508-8496.

Sincerely,

Elizabeth S. Werner  
Hydrogeologist  
Solid Waste Section
