November 09, 2009

Mr. Little,

We wanted to say thank you again for all the help today with the LCID Permit. We are working diligently to get to the bottom of our permit renewal issue. If you can please send the contact information for the engineer in Coats to our company email rsblaylock@yahoo.com. We appreciate your help and please let us know if you have any other questions about our LCID Landfill.

Sincerely,

Harold G. Blaylock
