Re: Permit to Operate
Hertford County Transfer Station
Hertford County, Permit No. 46-02T, DIN 7351

Dear Mr. Nichols:

Enclosed is the above reference solid waste permit that approves the continued operation of the Hertford County Transfer Station.

In general, the new facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans.

Please review the conditions of the permit thoroughly. Mr. Chuck Boyette is the Solid Waste Section Waste Environmental Senior Specialist for your facility and can be reached at (252) 794-2705. If you have questions about your permit, please contact me at (919) 508-8525 or by email at pat.backus@ncmail.net.

Sincerely,

Patricia M. Backus, P.E.
Environmental Engineer
