Hoke County LCID Landfill
Permit 47-A
Doc ID 11193

Thank you for the prompt response to the recent Solid Waste Section (SWS) request (Doc ID 11110) regarding the LCID 47-A. However, still not received is a volume of the stockpile for the proposed grinding operation at the LCID landfill. Please submit a quantity in cubic yards, which had been previously requested by the SWS (Doc ID's 10742 and 11110).

Also not received is the electronic copy of the file. The SWS requested "a pdf-formatted copy of the information combined on a disc" (Doc ID 11163). The electronic record will be entered into the SWS database and be more accessible.

Thank you for your attention and cooperation. If you have any questions, please contact me.
