Re: Acknowledgement Letter
Asphalt Shingle Recycling Program
Iredell County Landfill
Permit No. 49-03
Iredell County

Dear Mr. Lambert:

The Solid Waste Section (SWS) of the Division of Waste Management (Section) has your Request entitled;

Operation Plan for Sorting Tear-off Asphalt Shingles for Recycling. Prepared by: David Lambert and Municipal Engineering Services Company, Garner, NC.. February 17, 2012, Revised May 31, 2011. DIN 16546.

The Division has reviewed your RAL to demonstrate how tear-off asphalt shingles will be collected, sorted, stored, and managed at this facility in order to provide a material that can be used for asphalt production. The Solid Waste Section has found the application to be complete. The Division hereby issues this Acknowledgement Letter as formal approval to demonstrate the process for a period of 180 days.

Iredell County Landfill shall maintain detailed records throughout the Demonstration Period. The records must be kept and made available if requested by the SWS. A written summary report that demonstrates and documents the ability to effectively recycle asphalt shingles while maintaining compliance with the NC Solid Waste Rules will be submitted to the Section for review.

If you should have any questions regarding this matter please contact me your earliest convenience.

Sincerely,

A handwritten signature in blue ink that reads "John Murray". The signature is fluid and cursive, with the first name "John" and last name "Murray" clearly distinguishable.

John Murray
Regional Engineer
Solid Waste Section
