Re: Permit Modification Not Required for Maintenance Activities
Lee County Transfer Station
Lee County, North Carolina
Permit No. 53-04T
Doc ID No. 15330 C/R DIN 15329

Dear Shawn:

Thank you for submitting documents describing the proposed maintenance activities [DIN 15329] at the above referenced facility. We have determined that the maintenance activities do not affect capacity, service area or any material change in the waste stream and therefore does not require permit modification.

Thank you for your efforts and cooperation in this matter. If you have questions about this letter, please contact either me at 919.508.8498 *[note: 919.707.8252 after October 24, 2011]* or Robert Hearn, Environmental Senior Specialist for the facility, at 919.508.8525 *[note: 919.707.8292 after October 24, 2011]*.

Sincerely,

Geoffrey H. Little
Environmental Engineer II
