RE: Application for Continued Operation
Lenoir County Construction and Demolition Landfill (C&DLF)
Lenoir County, Permit No. 54-03, Doc ID No. 7366

Dear Mr. Jenkins:

This letter is to remind you of the permit application review process under N.C.G.S. 130A-295.8 (e). The Division of Waste Management (Division) is required to determine if an application is complete within 90 days of receipt and to issue a draft permit decision within one year from the determination of completeness.

Your application was determined to be complete on December 8, 2008, and was noted in a letter sent to you that day (Doc. Id No. 6322). An initial technical review was made and comments summarized in a letter dated January 8, 2009. (Doc. Id. No. 6567).

While we are several months away from that date, the Division will need time to review your revised application. Please keep this in mind as you prepare your response.

Sincerely,

Patricia M. Backus, P.E.
Environmental Engineer
Solid Waste Section
