Hi Matt. I reviewed the permit amendment applicaiton for Onslow Container Service transfer station. The only thing I have a comment about is Section 7.4 – Notification of Fire on page 10. The contact information needs to be changed to the following.

Mr. Wes Hare  
North Carolina Department of Environment and Natural Resources  
Solid Waste Section  
127 Cardinal Drive  
Wilmington, North Carolina 28405  
(910) 796-7405

Wes is the facility's compliance inspector. You may simply email me a new page 10 in pdf. Thank you.

Have a great day.

Elizabeth
