Re: Financial Assurance Cost Estimate
Martin County Construction and Demolition Landfill (C&DLF)
Martin County C&DLF, Permit No. 59-01, Document ID No. 16806

Dear Mr. Bone:

The Division of Waste Management, Solid Waste Section (Section) has completed review of your revised Closure and Post-closure financial assurance cost estimate included in your recent permit amendment application (DIN 16804). The application was submitted on your behalf by Richardson Smith Gardner and Associates, Inc. (RSG), and received by the Section on February 13, 2012.

This letter approves the total financial assurance cost estimate in the amount of \$ 2,564,060. The breakdown of the financial assurance as described in the application is as follows:

Closure	Post-closure Care	Potential Assessment and Correction Action	Total
\$ 338,310	\$ 225,750	\$ 2,000,000	\$ 2,564,060

Financial assurance in the approved amount must be established prior to issuance of the permit amendment for continued operation. Local governments are allowed to use a local government financial test as a financial assurance mechanism. Please submit the revised local government test to Allen Gaither at your earliest convenience. If you have questions or need assistance, you may contact Allen at (828) 296-4703 or by email at allen.gaither@ncdenr.gov. Thank you for your cooperation in this matter.

Sincerely,

Patricia M. Backus, P.E.
Environmental Engineer
