Dear Mr. Hulme:

I am attempting to complete the Division of Waste Management (Division), Solid Waste Section permitting process for the BMWNC Incinerator, Permit No. 60-19 in Mecklenburg County. All that remains of the process is for BMWNC to update its Operation Plan. Since the Plan was originally submitted to the Division in March of 2009 changes have been made at the Facility. Please make the following revisions and send me a revised copy as soon as possible;

1. Update all contact information in the Plan.
2. Add an explanation of the Facility's ash handling, including; collection, storage and disposal.
3. Included in the Plan are several example forms that are dated 2004 please update this information or insert undated forms.
