C&D Landfill, Inc., Permit No. 74-07, Pitt County, Document ID No. (DIN) 5206

Dear Mr. Whitehurst:

On July 1, 2008, the Division of Waste Management (the Division) received your permit application for continued of your C&D/LF. The report is entitled:

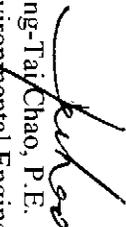

Closure and Post-closure Plan with Financial Assurance Calculation, C&D Landfill, Inc.-Phase I. Prepared by: David Garrett & Associates, Raleigh, NC. Prepared for: C&D Landfill, Inc. June 26, 2008. DIN 5066.

The Division has performed an administrative review of your application for a determination of completeness. Your application has been determined to be complete within the context of NCGS 130A-295.8(e). A determination of completeness means that the application includes required components, but does not mean that the components provide all the information that is required for the division to make a decision on the application. The next step is for the division to review the submittal for compliance with the Solid Waste Management Rules (the Rules), 15A NCAC 13B .0547.

C&D Landfill, Inc. is authorized to continue operating the C&D/LF Unit in accordance with your most recent Solid Waste Permit and the Rules, 15A NCAC 13B.

Should you have any questions regarding this matter you may contact me at (919) 508-8507
