Subject: Material Recovery, LLC C&D Landfill Facility, Raleigh, Wake County, NC Solid Waste Permit No. 92-31

Hello Mr. Mussler,

Our firm represents Waste Industries USA, and they are applying to purchase the franchise landfill in Wake County, referenced above. The Board of County Commissioners ordinance that was just passed on March 19, 2012 states:

D. For a revision to the franchise of an existing C&D landfill, the Board of County Commissioners may issue a revised franchise upon presentation of the following information to the county:

7. A letter from every section of the North Carolina Department of Environment and Natural Resources (NCDENR) that has issued a permit to the C&D landfill stating that to its knowledge there are no existing violations of the permits, statutes, and regulations governing the C&D landfill that that section of NCDENR enforces;

What do we need to do in order to receive a letter from every section of the NCDENR stating the above?

If there is anything else you need from us, please do not hesitate to contact me. Thank you so much for your help in this matter.

Sincerely,
Keiasha L. Solomon
