Under N.C.G.S. § 130A-294 (b2)(2) and 295.3 the agency will be conducting a review to determine Currin Bros. Inc.'s past compliance with federal and state laws, regulations, and rules, including permit conditions, for the protection of the environment or conservation of natural resources. If you are a business entity, the compliance review may extend to any other parent, subsidiary, or other affiliate, as well as a partner, a corporate officer or director, or a stockholder holding over 50% of the stock.

To begin the review, please provide organizational charts for Currin Bros. Inc. with explanatory text that shows all business entities that are direct or indirect parents, subsidiaries or other affiliates of Currin Bros. For all business entities identified in the organizational charts, please identify those business entities which operated under a previous business name and identify the prior business name.

After review of the organizational charts the agency will request additional follow-up information. Please be advised that under subsection N.C.G.S. § 130A-294(b3), the agency is not required to review the application until you have satisfied the agency that you have met the requirements of subsection (b2).
