Re: T & P Permit Renewal

Dear Mr. Gaither,

As we discussed, our T & P Facility permit No. 9502TP expires April 20, 2011. I am requesting a renewal of the permit to operate, although our future plans are to roll the T & P and LCID permit into one. Considering, we don't know how long this will take, I understand we need to start the renewal process for the T & P.

If you have any questions, please let me know.

Sincerely,

Donna Watson
Administrative Assistant
