Re: Permit to Operate
City of Goldsboro Transfer Station
Wayne County, Permit No. 96-07T, Document ID No. 15063

Dear Mr. Bartlett:

Please find the enclosed Permit to Operate for the City of Goldsboro Transfer Station, Permit No. 96-07T, which approves the continued operation of the facility.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans.

Please review the conditions of the permit thoroughly. The stamped approved operation plan is also included.

If you have questions about your permit, please contact me at (919) 508-8520 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Wes Hare. He can be reached at (910) 796-7405 or (919) 280-5135.

Sincerely,

Patricia Backus, P.E.
Environmental Engineer
Solid Waste Section
