Subject: Determination of Completeness – PTO Modification  
Roaring River MSW Landfill  
Wilkes County, Permit #97-04, Document ID No. 7135

Mr. Brandon:

The Division of Waste Management, Solid Waste Section (Section) has received two copies of the documents titled *Operation Plan for the Roaring River Landfill Phase 3* (DIN 7009) and *Alternative Cover Material Demonstration Report* (DIN 7010), revised March 2009. These documents were submitted on your behalf by Joyce Engineering, Inc. and were received by the in the Asheville Regional Office on March 10, 2009.

The submittals have been reviewed for completeness in accordance with General Statute 130A-295.8(e). A determination of completeness means that the application includes all required components but does not mean that the required components provide all of the information that is required for the Section to make a decision on the application. All of the components required by Rule .1617(c) have been submitted so the application is deemed complete. The permit activity fee for this modification has been paid so the technical review of the documents will begin as soon as possible.

If you should have any questions regarding this matter please contact me at (828) 296-4703, or by email at [allen.gaither@ncmail.net](mailto:allen.gaither@ncmail.net) .

Sincerely,

Allen Gaither  
Environmental Engineer
