**ADDITIONAL COMMENTS**

1. The permit submittal is currently under review at this time.
2. It appears that the approved setbacks are being met but were not verified at this time due to inclement weather & time constraints.
3. No sign of heavy application, no odors were noted.
4. The required signs are posted and the access road is adequate.
5. Your extension agent/regional agronomist may be contacted in regards to advice for weed control & improving the fescue cropstand.

Please contact me if you have any questions or concerns regarding this inspection report.
