N/A

**OBSERVED VIOLATIONS**

1. N/A

The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

**ADDITIONAL COMMENTS**

1. Reviewed application, landowner's authorization form & GPS site map.
2. Received signed nutrient management plan for review.
3. **Please submit a copy of the land application logs from May 2011 until now.** Received signed cover letter for site logs in regards to permit renewal. Discussed the information required on the land application site logs.
4. **Please submit 2009 waste analysis reports (for effluent) & 2011 harvest reports.**
5. There appears to be a missing field marker on the back side of field 2.
6. It appears that approved setbacks are being met but did not measure at this time.
7. Fescue crops looks good but please continue efforts with weed control in the coming year.
8. Access road is adequate and the required signs are posted.
9. No sign of recent application and no odors noted.

Please contact me if you have any questions or concerns regarding this inspection report.
