Re: SWCD-25-01

Dear Mr. Dunham:

The Division of Waste Management, Solid Waste Section, has reviewed your request for an extension of Craven Ag Services, Inc. approval of a Solid Waste Pilot Composting Project. Your request is considered approved in accordance with the N.C. Solid Waste Management Rules, 15A NCAC 13B .1409 and subject to the following conditions:

1. All original permit conditions remain in effect.
2. The Division has been notified that the active composting area within the current compost site is being expanded. Please note that the setbacks defined in Solid Waste Management Rule 15A NCAC 13B .1404 still remain in effect.
3. The demonstration approval shall expire June 4, 2012 and all operations shall cease after that date unless a permit to operate a solid waste management facility has been obtained.
4. Should you choose to apply for a permit to operate this facility the application should be submitted at least 90 days prior to this approval expiring.

Mr. Ray Williams, Environmental Senior Specialist, will be responsible for oversight and inspection of the facility and activities. Mr. Williams can be contacted at (910) 796-7342. If you have any questions please feel free to contact me at 919-508-8508.

Sincerely,

Michael E. Scott, Section Chief  
Solid Waste Section
