Re: **Alternative Cover Material Demonstration**  
**BFI-Charlotte Motor Speedway Landfill V, Permit Number 13-04**  
**Proposed ACM: Posi-Shell**

Dear Mr. Keller:

On April 23, 2013, I received electronic correspondence from Mr. Mike Gurley, Environmental Manager, requesting an amendment to the Posi-Shell alternative cover demonstration period. The demonstration project was originally approved on January 3, 2013 and set to expire on June 3, 2013. The correspondence requested that the demonstration project period be amended to reflect the start date of April 8, 2013.

This letter approves your request to amend the demonstration project period. The demonstration period will expire on September 4, 2013. All other requirements described in the authorization letter dated January 3, 2013 remain in effect.

If you have any questions, please contact me at (704) 235-2160 or [teresa.bradford@ncdenr.gov](mailto:teresa.bradford@ncdenr.gov).
