Re: Permit to Operate  
Town of Edenton Transfer Facility  
Chowan County, Permit No. 21-01T, Document ID No. 17513

Dear Mr. Norris:

Please find the enclosed Permit to Operate for the Town of Edenton Transfer Facility, Permit No. 21-01T, which approves continued operation of the facility.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

Also included is a certified original of the permit. The certified original is provided for recordation with the Chowan County Register of Deeds. A copy of the certified original affixed with the Register's seal and the date, book, and page numbers of the recording must be returned within 30 calendar days of issue to the Permitting Branch Supervisor as noted at the bottom of the certification statement.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at [pat.backus@ncdenr.gov](mailto:pat.backus@ncdenr.gov). The Environmental Senior Specialist for the facility is Ben Barnes. He can be reached at (252) 459-4502 or (919) 621-3680.

Sincerely,

Patricia M. Backus, P.E.  
Environmental Engineer
