Re: Permit to Operate - Cherry Point Transfer Station
Craven County, Permit No. 2510T-TRANSFER-1997, Document ID No. 17460

Dear Mr. Belli:

Please find the enclosed Permit to Operate for the Cherry Point Transfer Station, Permit No. 2510T-TRANSFER-1997, which approves continued operation of the facility.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

The approved Operation Plan is also included.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Ray Williams. He can be reached at 252-948-3955 or 919-621-3692.

Sincerely,

Patricia M. Backus, P.E.
Environmental Engineer
