Re: Permit to Operate - Todco Inc. C&D Transfer, Treatment & Processing Facility,  
Permit No. 2908T-TRANSFER-2013 (formally 2908-TP-)  
Davidson County (DIN 19114)

Dear Mr. Warfford:

Please find the enclosed Permit to Operate (Doc. ID No. 19037) for the Todco Inc. C&D Transfer Station, Permit No. 2908T-TRANSFER-2013 which approves the operation of your C&D Transfer, Treatment & Processing Facility.

In general, the new facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans, such as site specific operations.

If you have questions about this permit or require further clarification, please contact myself at (704) 235-2163 or by email, [john.murray@ncdenr.gov](mailto:john.murray@ncdenr.gov) or Mr. Hugh Jernigan who is the Solid Waste Section Waste Management Specialist for your area and can be reached at (336) 771-5095.

Sincerely,

John Murray, P.E., Regional Engineer  
Permitting Branch  
Solid Waste Section
