Dear Mr. Lawson and Hay:

The Solid Waste Section (Section) has received your request entitled, "Permit Modification to the Amendment" (DIN 17919), and dated December 14, 2012. The original "*Amendment and Operation Plan*" was submitted on July 24, 2012 (DIN 17336).

The Section has reviewed your RAL for landfilling 0.8668 acres of Fill Area 2 and found it to be complete. The Division hereby issues this Acknowledgement Letter as a formal approval to landfill this area. This Letter has been incorporated by reference into the approved facility operating permit and is subject to review when the next Permit to Operate is issued.

Sincerely,

John E. Murray, P.E.
