Subject: Solid Waste Permit – Expired Permit Reminder
ORGANIC RECYCLING, Permit No. 3503-TP-2008
Franklin County, DIN 17169

Dear Mr. Adams:

You are listed as the Permit Owner and/or Operator of the Solid Waste Management Facility, Permit No. 3503-TP-2008. Solid Waste Section records indicate the Permit for your Facility has expired. Solid Waste Permits are valid for five (5) years and the renewal of an existing Solid Waste Permit must be requested and accompanied by a complete application submitted in accordance with North Carolina General Statute NCGS 130A-294 and must meet the requirements of North Carolina Administrative Code 15A NCAC 13B. You are requested to contact your project manager, Ms. Christine Ritter at (919) 707-8254 or christine.ritter@ncdenr.gov, within the next 14 calendar days regarding the renewal of your Permit.

Since it appears your Facility is operating without a valid Permit, your immediate attention to this matter is requested.

Sincerely,

Edward F. Mussler, III, P.E.,
Permitting Branch Supervisor
