SOLID WASTE SECTION

May 13, 2013

Ms. Natalie Berry, PE
Henderson County Engineering
100 North King Street, Suite 210
Hendersonville, North Carolina 28791

Subject: Converting Stormwater System into Leachate System, Approval
Henderson County Transfer Facility, 4504T-TRANSFER-1998
Henderson County, DIN 18951

Dear Ms. Berry:

On May 13, 2013 the Division of Waste Management, Solid Waste Section (Section) received Henderson County's request, entitled;

- *Converting Stormwater System into Leachate System.* Prepared by Henderson County. May 2013. DIN 18950.

The Request concerns changes to the subsurface leachate piping at the Henderson County Transfer Facility.

The Section has reviewed the County's request and agrees the proposed work should be completed immediately. Furthermore, the County should take any and all other steps that are found necessary to prevent leachate from reaching surface waters of the State or a conveyance to surface waters of the State. The Section requests an updated subsurface piping drawing upon completion of the requested work which includes, leachate and stormwater piping.

Should you have any questions regarding this matter contact me at (828) 296-4704 or larry.frost@ncdenr.gov.

Sincerely,

Larry Frost
Environmental Engineer
