Re: Permit to Operate  
Hoke County LCID  
Hoke County, Permit No. 47A-LCID, Document ID No. 18205

Dear Mr. Russell:

Please find the enclosed Permit to Operate for the Hoke County LCID, Permit No. 47A-LCID-, which approves the continued operation of the facility. The approved Operation Plan is also included.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at [pat.backus@ncdenr.gov](mailto:pat.backus@ncdenr.gov). The Environmental Senior Specialist for the facility is Drew Hamonds. He can be reached at (910) 433-3351 or (919) 606-2483.

Sincerely,

Patricia M. Backus, P.E.  
Environmental Engineer
