

**Certification by Land Owner (if different from Applicant)**

I hereby certify that I have read and understand the application submitted by Green Recycling Solutions, LLC for a permit to operate a Processor operation on land owned by the undersigned located at (address) 11710 Hwy 17; (city) Maysville, NC, in Jones County, and described in Deed Book and Page(s) Book 351 Page 256.

I specifically grant permission for the proposed Processor operation planned for operation within the confines of the land, as indicated in the permit application. I understand that any permit will be issued in the names of both the operator and the owner of the facility/property. I acknowledge that ownership of land on which a solid waste management facility is located may subject me to cleanup of said property in the event that the operator defaults as well as to liability under the federal Comprehensive Environmental Responsibility, Compensation and Liability Act ("CERCLA"). Without accepting any fault or liability, I recognize that ownership of land on which a solid waste management facility is located may subject me to claims from persons who may be harmed in their persons or property caused by the solid waste management facility.

I am informed that North Carolina General Statute 130A-22 provides for administrative penalties of up to fifteen thousand dollars (\$15,000) per day per each violation of the Solid Waste Management Rules. I understand that the Solid Waste Management Rules may be revised or amended in the future, and that the siting and operation of the facility will be required to comply with any such revisions or amendments.
