**RE: Macon County MSW Landfill; Permit # 57-03
Modification of Operations Plan for the Management of Mercury Containing Devices and Lamps**

Mr. Gaither:

Please find the enclosed documents submitted for review as a modification to the Operations Plan at the Macon County MSW Landfill, solid waste facility; permit #57-03. The Solid Waste Department is seeking approval of this modification for the management of Mercury Containing Devices (MCD) and Lamps Containing Mercury (LCM) under the Universal Waste Handling Rules. Please find the listed attachments for your review and consideration:

Attachment 1: Copy of Operations Plan with changes incorporated.

Attachment 2: Copy of proposed Appendix 10; outlining the MCD and LCM waste handling procedures.

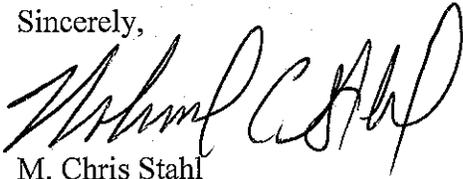

Attachment 3: Draft Log to track types, quantities, and generator of MCD's and LCM's received at the Materials Recovery Facility.

Attachment 4: Draft signage to be placed at the Universal Waste Handling Area.

Additionally, I am submitting these same documents to Scott Mouw with NC DEAO, seeking inclusion the Mercury Products Recycling Grant Program. Any feedback I receive from regarding specific management procedures that were not addressed by this submittal from DEAO will be incorporated into an amended Appendix 10, and immediately forwarded to you. Likewise, should you require any additional information or changes to the submitted documents in order to approve the program, I will make the changes and re-submit the documents to your office.

Thank you for your time and consideration of this modification to the Macon County Solid Waste Operations Plan, I look forward to your response. Additionally, the Solid Waste Department looks forward to being able to add this recycling service to our Integrated Solid Waste Management Program.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Chris Stahl". The signature is written in a cursive, flowing style with a large initial "M" and "C".

M. Chris Stahl

Director of Solid Waste Management
