Re: Permit to Operate
Martin County Construction and Demolition Landfill
Martin County, Permit No. 59-01, Document ID No. 16847

Dear Mr. Robinson:

Please find the enclosed Permit to Operate for the Martin County Construction and Demolition Landfill, Permit No. 59-01, which approves the continued operation of the facility.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans.

Please review the conditions of the permit thoroughly. The stamped approved operation plan will be sent to you by Pieter Scheer, P.E. of Smith Gardner.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Ben Barnes. He can be reached at 252-459-4502 or 919-621-3680.

Sincerely,

Patricia M. Backus, P.E.
Environmental Engineer
Solid Waste Section
