Re: Financial Assurance for Construction and Demolition Landfill
Martin County C&DLF, Permit No. 59-01, Document ID No 12342

Dear Ms. Backus:

It was a pleasure speaking to you this morning regarding your letter of December 3 concerning the financial assurances for Martin County's C&D Landfill. As I explained to you this morning I received the letter after our December commissioner's meeting and we do not have another meeting scheduled until January 12, 2011. That obviously causes an issue with the December 31 deadline stated in the letter. Therefore I am requesting that we be given until January 31 to comply with the financial assurances for our C&D landfill. It sounded like from our conversation that this could be granted and for that I thank you.

Please let me know if you need anything else from me to grant this request and I thank you for your assistance.

Sincerely,

Handwritten signature of W. Russell Overman.
