Re: Permit to Operate - Material Recovery C&D Landfill
Wake County, Permit No. 9231-CDLF-2012, Document ID No. 17491

Dear Mr. Pepper:

Please find the enclosed Permit to Operate for the Material Recovery C&D Landfill, Permit No. 9231-CDLF-2012, that approves the change in ownership and continued operation of the facility.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

Also included is a certified original of the permit. The certified original is provided for recordation with the Wake County Register of Deeds. A copy of the certified original affixed with the Register's seal and the date, book, and page numbers of the recording must be returned within 30 calendar days of issue to me or the Permitting Branch Supervisor as noted at the bottom of the certification statement.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is Shawn McKee. She can be reached at 919-707-8284 or 919-628-7343.

Sincerely,

Patricia M. Backus, P.E.
Environmental Engineer
Solid Waste Section
