Capitol Waste C&D Transfer Station  
Permit No. 92-37T, Wake County, Document ID No. 18008

Dear Mr. Brown:

In a letter dated October 2, 2012, I presented my initial review of your application for a permit amendment (Document ID No. 17375). I noted several issues and requested that you revise your application. So far I have not received a response. By this letter, I am requesting that you provide an updated application by January 31, 2013.

Please also include a site layout. This can be an aerial from the county GIS with labels added to show the operation areas. If you have any questions regarding this matter, please contact me at (919) 707-8257 or by email at [pat.backus@ncdenr.gov](mailto:pat.backus@ncdenr.gov).

Sincerely,
