Re: Application Complete  
Capitol Waste C&D Transfer Station  
Permit No. 9237T-TRANSFER-2010, Wake County, Document ID No. 17218

Dear Mr. Brown:

The Division of Waste Management, Solid Waste Section has received your request for permit amendment for the Capitol Waste C&D Transfer Station (Permit No. 9237T-TRANSFER-2010). Your application is considered complete within the context of North Carolina General Statutes (NCGS) §130A-295.8(e).

A determination of completeness means that the application includes all required components but does not mean that the required components provide all of the information that is required for the Section to make a decision on the application. A technical review of your application is in progress.

Under NCGS §150B-3, when an applicant makes a timely and sufficient application for issuance or renewal of a permit, the existing permit does not expire until a final decision on the application is made. Therefore, until the final decision is made, you are authorized to continue operation of the Capitol Waste C&D Transfer Station in accordance with your most recent Solid Waste Permit and the Solid Waste Management Rules (15A NCAC 13B).

If you have any questions regarding this matter, please contact me at (919) 707-8257 or by email at [pat.backus@ncdenr.gov](mailto:pat.backus@ncdenr.gov).

Sincerely,

Patricia Backus, P.E.
