ADDITIONAL COMMENTS

1. The facility is a scrap tire collection facility. Killy's Tires' hauler ID number is NCT 02004. Hours of operation are 8am to 3pm.
2. The facility collects only reusable scrap tires (via contract) from the North Carolina Department of Public Instruction and the North Carolina State High Patrol. The facility is permitted to receive scrap tires from all 100 counties.
3. The facility site plan and operations plan were discussed.
4. Scrap tires are stored in a warehouse and primarily shipped, via overseas container, to Panama. Some scrap tires are shipped to a distributor within the US. Mr. Fernandez stated that scrap tires are loaded for shipment while the driver is on site (containers and trailers are not stored on site).
5. Evidence of Financial Responsibility has been submitted to the SWS and is currently under review.
6. The facility is permitted to store a maximum of 300 scrap tires onsite at any time.
7. Two fire extinguishers are available for fire suppression. The facility does not have an automatic sprinkler system. The local fire department will provide fire control. Mr. Fernandez stated that the fire department has regulated that stored scrap tires must not exceed 6 feet in height and must be a minimum of 2 feet from walls. Dimension requirements are marked with orange tape.
8. Mr. Fernandez stated that unwanted scrap tires are not collected however, occasionally they are mixed-in with usable scrap tires. Unwanted scrap tires are brought to local scrap tire collection facilities within the county where the tires originated.
9. The facility processes an average of 500 tons of scrap tires per month. The facility annual report for FY2011-2012 indicated that the facility processed 6277.2 tons of tires during that time period. Currently, all scrap tires received/shipped-out are school bus truck tires.
10. The facility is properly secured. Personnel are on site during operating hours.
11. All tires onsite are stored within the building and the facility is being maintained in a neat and orderly manner.
