Permit No. 92-38  
Doc ID No. 17578

Dear Mr. Fernandez:

Enclosed is a Permit to Operate (PTO) for the continued operation of the above referenced tire collection facility. The permit is approved operation of your facility through the close of business July 21, 2015.

Please review the conditions of the permit carefully. Some text is modified to be consistent with other current Solid Waste permits. Also, please note the Financial Responsibility requirements in *Attachment 3 Conditions of the Permit to Operate* [page 4 of 5].

Thank you for your efforts and cooperation in this matter. If you have questions about the permit conditions or questions arise during construction, please contact either me at 919-707-8252 or Shawn McKee, Environmental Senior Specialist for the facility, at 919-707-8284.

Sincerely,

Geoffrey H. Little
