Dudley, NC 283331

Re: Compliance with 15A NCAC 13B .0547 and Approval of the Permit Application for Continued Operation of a C&D Unit on Top of a Closed MSW Landfill  
Wayne County Construction and Demolition Debris Landfill (C&DLF)  
Wayne County, North Carolina  
Permit No. 96-01, Document ID No. (Doc ID) 16994

Dear Mr. Rogers:

The Division Waste Management (DWM), Solid Waste Section has determined that Wayne County C&DLF has met the continued operation requirements stated in Solid Waste Management Rule 15A NCAC 13B .0547(4). The DWM hereby approves the permit application (Doc ID 16993), which can be directly downloaded from the DWM's web site at <https://edm.nc.gov/DENR-Portal/>. Type in the Doc ID Number (only numeric number) in the boxed area next to the "**Description**" in the "**Property Criteria**" area. Then click "**Search**" box. The document in pdf format will appear on the lower section of the screen called "**Content**" area.

Enclosed please find the Solid Waste Permit No. 9601– Permit to Operate for Phase 1 and 2 (2 copies), the final fact sheet, and the cover sheet of the approved permit application with the approval seal and signature. Please be aware of the GENERAL PERMIT CONDITION NO. 3; the original copy of the permit (**entire document**) must be recorded in the Register of Deeds office and sent back to the Solid Waste Section to my attention. If the Section does not receive the certified copy of the recorded permit within **30** calendar days of issuance of the permit, then and in that event, the permit is suspended and of no effect until the date the Section receives the certified copy of the recorded permit.

Please also remember that financial assurance must be kept current and updated annually to reflect changes in the Rules, operation of the sites, and inflation. If you have any questions, please contact me at (919) 707- 8251 or Wes Hare, Environmental Senior Specialist for the facility, at (910) 796-7405.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ming-Tai Chao', written in a cursive style.

Ming-Tai Chao, P.E.  
Environmental Engineer  
Permitting Branch, Solid Waste Section
