Mr. Tim Rogers, Solid Waste Director
460 B South Landfill Road
Dudley, NC 28333

Subject: Solid Waste Permit To Operate: Wayne County MSWLF - Phase 3
Wayne County, North Carolina, Permit No. 96-06, Document ID No. (Doc ID) 19026

Dear Mr. Rogers:

The Division of Waste Management (DWM), Solid Waste Section has determined that Wayne County MSWLF has met the pre-operative conditions of Solid Waste Permit No. 96-06, Part 1 of Attachment 2: Permit to Construct for Phase 3 and associated facility infrastructure (Doc ID 13553) and hereby approves the following documents:

- *“Construction Quality Assurance Report (CQA Report): Municipal Solid Waste Landfill Facility - Phase 3, Wayne County, North Carolina.”* (Doc ID 19084) dated September 2012 and revised through June 2013 and prepared by Municipal Engineering Services Company, P.A.
- *“Construction Record – 2010-2012 LFG Collection System Installation, MP Wayne LLC – Wayne County Landfill”* (Doc ID 17163) dated September 4, 2012 and prepared by Smith + Gardner Engineers.

Solid Waste Permit No. 96-06, Permit to Operate (PTO) for Phase 3 (Doc ID 19025) is enclosed. The electronic format (pdf) of the approved documents can also be directly downloaded from DWM web site at <https://edm.nc.gov/DENR-Portal/>. Type in the Doc ID Number (only numeric number) in the boxed area next to the “**Description**” in the “**Property Criteria**” area. Then click “**Search**” tab. The document in pdf format will appear on the lower section of the screen called “**Content**” area.

Please review the Conditions of Permit thoroughly and note this PTO shall expire **June 13, 2016**. Additionally, the **COMMENT NUMBERS 9 & 10** – Facility Grounds and Structures, Facility Compliance Inspection Report dated April 25, 2013 have been incorporated into the Operating Permit Condition No. 17 (Attachment 3) regarding restoration of the damaged landfill base in addition to operation and maintenance of the leachate collection and removal system at the landfill. Prior to accepting waste for disposal at Phase 3, the County must properly backfill, compact, and re-grade the eroded areas at the landfill base according to the approved Technical Specification and Construction Quality Assurance Plan. The repair activities must be inspected and approved by a representative of the Solid Waste Section. If you have questions about this

permit or require further clarification, please contact myself at (919) 707-8251 or ming.chao@ncdenr.gov and Mr. Wes Hare, who is the Senior Environmental Specialist for your area and can be reached at (910) 796-7405 or wes.hare@ncdenr.gov.

Sincerely,

Ming-Tai Chao, P.E.
Environmental Engineer
Solid Waste Section
