Re: Land Clearing and Inert Debris Landfill Notification
New Smith School Site
Burlington, North Carolina

Dear Mr. Sessoms:

We are enclosing an executed copy of the Land Clearing and Inert Debris Landfill Notification for the referenced site. In reviewing the siting criteria, we feel this site complies. The only materials to be disposed of on-site will be stumps that are generated from the clearing operation.

Should you have any questions or comments, please do not hesitate to call.

Sincerely,

ALLEY, WILLIAMS, CARMEN & KING, INC.

LAND CLEARING AND INERT DEBRIS LANDFILL NOTIFICATION

Pursuant to 15A NCAC 13B .0563(2)(a), the land owner(s) and operator(s) of any Land Clearing and Inert Debris Landfill under two (2) acres in size shall submit this notification form to the Division prior to constructing or operating the landfill. This form must be filed for recordation in the Register of Deeds' Office. The Register of Deeds shall index the notification under the name of the owner(s) of the land in the county or counties in which the land is located. The Register's seal and the date, book, and page number of recording must be included on this form when submitted to the Division. This notification is not valid to authorize operation of a landfill unless complete, accurate, and recorded as required by 15A NCAC 13B .0563(2)(b).

1. Facility Name: New Smith School Site
2. Facility location (street address): Delaney Drive
City: Burlington County: Alamance Zip: 27253
3. The land on which this landfill is located is described in the deed recorded in:
deed book: 0868 page: 457 county: Alamance
4. Name of land owner: Burlington City Board of Education
5. Mailing address of land owner: Post Office Box 938
City: Burlington State: NC Zip: 27216
6. Telephone number of land owner: (910) 570-0811
If the land is owned by more than one person, attach additional sheets with the name, address, and phone number of all additional land owners.
7. Name of operator: Burlington City Board of Education
8. Trade or business name of operator: Burlington City Board of Education
9. Mailing address of operator: Post Office Box 938
City: Burlington State: NC Zip: 27216
10. Telephone number of operator: (910) 570-0811
If the landfill is operated by more than one person, attach additional sheets with the name, address, and phone number of all additional operators.
11. Projected use of land after completion of landfill operations: Ballfields

- (4) Adequate soil cover shall be applied monthly, or when the active area reaches one acre in size, whichever occurs first.
- (5) 120 calendar days after completion of any phase of disposal operations, or upon revocation of a permit, the disposal area shall be covered with a minimum of one foot of suitable soil cover sloped to allow surface water runoff in a controlled manner. The Division may require further action in order to correct any condition which is or may become injurious to the public health, or a nuisance to the community.
- (6) Adequate erosion control measures, structures, or devices shall be utilized to prevent silt from leaving the site and to prevent excessive on site erosion.
- (7) Provisions for a ground cover sufficient to restrain erosion must be accomplished within 30 working days or 120 calendar days upon completion of any phase of landfill development.
- (8) The facility shall be adequately secured by means of gates, chains, berms, fences, etc. to prevent unauthorized access except when an operator is on duty. An attendant shall be on duty at all times while the landfill is open for public use to assure compliance with operational requirements and to prevent acceptance of unauthorized wastes.
- (9) Access roads shall be of all-weather construction and properly maintained.
- (10) Surface water shall be diverted from the working face and shall not be impounded over waste.
- (11) Solid waste shall not be disposed of in water.
- (12) Open burning of solid waste is prohibited.
- (13) The concentration of explosive gases generated by the facility shall not exceed:
 - (a) Twenty-five percent of the lower explosive limit for the gases in facility structures.
 - (b) The lower explosive limit for the gases at the property boundary.
- (14) Leachate shall be properly managed on site through the use of current best management practices.
- (15) Should the Division deem it necessary, ground water or surface water monitoring, or both, may be required as provided for under Rules .0801 and .0802 of this Subchapter.
- (16) A sign shall be posted at the facility entrance showing the contact name and number in case of an emergency and the permit number. The permit number requirement is not applicable for facilities not requiring an individual permit.

Certification by Corporate Land Owner:

I certify that the information provided by me in this notification is true, accurate, and complete to the best of my knowledge. The facility siting and disposal operations of this Land Clearing & Inert Debris landfill will comply with the requirements of Sections .0563, .0564 and .0566 of 15A NCAC 138, North Carolina Solid Waste Management Rules. The facility and operations of this landfill will also comply with all applicable Federal, State, and Local laws, rules, regulations, and ordinances. Where the operator is different from the corporate land owner, the corporate land owner, has knowledge of the operator's plans to dispose of solid waste on the land and is specifically granted permission for the operation of the landfill. It is understood that both the corporate land owner and operator are jointly and severally liable for improper operations and proper closure of the landfill as provided for by North Carolina General Statute 130A-309.27. It is further understood that North Carolina General Statute 130A-22 provides for administrative penalties of up to five thousand dollars (\$5,000.00) per day per each violation of the Solid Waste Management Rules. It is further understood that the Solid Waste Management Rules may be revised or amended in the future and that the facility siting and operations of this landfill will be required to comply with all such revisions or amendments.
