RE: Newbern Brothers Waste Storage Site-Land Clearing & Inert Debris Notification
Currituck County

Mr. H.D. & Finley Newbern:

On April 8, 2003, I conducted a compliance inspection of your LCID site located near Powells Point in Currituck County. At the time of my inspection, it appeared that the monthly cover required in Section .0566 (4) of 15A NCAC 13B , North Carolina Solid Waste Management Rules had been neglected or had never been applied. This was especially apparent on the side slopes. There also appeared to be some metal (car parts) in the site as well. This would be a violation of section .0566(2) of those same rules.

Please look into these deficiencies and correct them within the next 30 days.

Should you have any questions concerning this matter, please feel free to contact me at (252) 946-6481.

Sincerely,
