SOLID WASTE SECTION
December 11, 2012

Mr. Mark Pace
Pace Construction and Excavation, Inc.
625 Old Spartanburg Highway
Hendersonville, North Carolina 28792

Subject: Permit to Operate Application - Reminder
Crest Road Recycling LLC – Transfer, Recycle Resource Recovery and Processing Facility
Henderson County, DIN 17868

Dear Mr. Pace:

The purpose of this letter is to update you on the status of the Crest Road Recycling LLC – Transfer, Recycle Resource Recovery and Processing Facility Permit Application.

Background

On November 7, 2011 the Solid Waste Section (Section) received Pace Construction's, Crest Road Facility application, entitled;
Crest Rd C&D Material Recycling Recovery Facility, Operations Plan. Prepared by Joyce Engineering. Prepared for Pace Construction. November 2011. DIN 15576.

On December 15, 2011 the Section sent you a letter, entitled;
Determination of Completeness, Technical Review, and Financial Assurance Cost estimate Approval – New Permit Application. December 2011. DIN 15768.

On January 11, 2012 the Section received your letter, entitled:
Crest Road C&D Material Recovery Facility. Prepared by Pace Construction. January 2012. DIN 15900. This letter contained the required NCDOT traffic study approval.

On February 21, 2012 the Section received your plan, entitled;
Crest Road C&D Material Recovery Facility, 420 Crest Road, Henderson Count, NC, Operations Plan, November 2011, Revised February 2012. Prepared for Pace Construction. Prepared by Joyce Engineering. February 2012. DIN 16170.

On February 28, 2012 the Section received your letter, entitled;
Crest Road Recycling LLC – Transfer, Recycle Resource Recovery and Processing Facility Henderson County DIN 15768. Prepared for Pace Construction. Prepared by Joyce Engineering. February 2012. DIN 16169. This letter contained the required response to the Section's letter of January 11, 2012, DIN 15768.

On August 13, 2012 the Section received your;
Organizational Chart for Pace Construction and Cost Estimate. Prepared by Pace Construction. August 2012. DIN 17045.

December 11, 2012

Pace Construction and Excavation, Inc.

On August 14, 2012 the Section received your updated Operations Plan, entitled; *Crest Road C&D Material Recovery Facility, 420 Crest Road, Henderson Count, NC, Operations Plan, November 2011, Revised February 2012*. Prepared by Pace Construction. August 2012. DIN 17046.

On August 15, 2012 the Section sent you a letter entitled; *Financial Assurance Cost Estimate – Approval*. August 2012. DIN 17050.

Items that remain to be completed before a permit can be issued.

In order for the Section to issue a Permit to Operate, Pace Construction must establish a Financial Assurance mechanism in the amount approved, \$73,120, found in the Section's letter of August 15, 2012, DIN 17050.

The Section is concerned that Pace Construction and Excavation, Inc. has not submitted the required permit information. Pace Construction and Excavation, Inc. should be aware that failure to respond in writing, to the items that remain to be completed, by February 1, 2013 may result in the denial of the permit application and forfeiture of the permit application fee. Should you have any questions regarding this matter contact me at (828) 296-4704 or at larry.frost@ncdenr.gov.

Sincerely,

Larry Frost
Environmental Engineer
