F. Who is Required to Pay?

New Permits: Solid Waste Facilities which have not previously been permitted by the Solid Waste Section; Permitted Solid Waste Facilities proposing to expand the boundary of the facility for the purpose of expanding the permitted activity; Permitted Solid Waste Facilities proposing to expand the boundary of a waste disposal unit; and permitted Solid Waste Facilities seeking a substantial amendment* to a Solid Waste permit.

*“Substantial Amendment” means either: 1.) An increase of 10% or more in the population or the quantity of solid waste to be disposed of in the sanitary landfill or the geographic area to be served by the sanitary landfill; or 2.) A change in the categories of solid waste to be disposed of or any other change to the application for a permit or to the permit for a sanitary landfill that the Commission or the Department determines to be substantial.

Amended Permits: Permitted Solid Waste Facilities seeking a permit to construct and a permit to operate for the second and subsequent phases of landfill development described in the approved facility plan; Permitted Solid Waste Facilities seeking the five-year renewal of a permit or for a permit review; or Permitted Solid Waste Facilities proposing a change in ownership or corporate structure.

Modified Permits: Permitted Solid Waste Facilities proposing to change plans approved in a permit that does not constitute a ‘permit amendment’ or a ‘new permit’; or Permitted Solid Waste Facilities seeking a second or subsequent permit to operate for a constructed portion of a phased included in the permit to construct.
