Re: SWCD-67-01

Dear Mr. Szymanik:

The Division of Waste Management, Solid Waste Section, has reviewed your request for an extension of the Solid Waste Pilot Composting Project (67-01) operating in Onslow County. Your request is considered approved in accordance with the N.C. Solid Waste Management Rules, 15A NCAC 13B .1409 and subject to the following conditions:

1. All original permit conditions remain in effect.
2. The demonstration approval shall expire February 24, 2014 and all operations shall cease after that date unless a permit to operate a solid waste management facility has been obtained.
3. Should you choose to apply for a permit to operate this facility the application should be submitted at least 90 days prior to this approval expiring.

Mr. Ray Williams, Environmental Senior Specialist, will be responsible for the oversight and inspection of the facility and related activities. Mr. Williams can be contacted at (252) 948-3955. If you have any questions please feel free to contact Tony Gallagher at (919) 707-8280.

Sincerely,

Michael E. Scott, Section Chief
Solid Waste Section

cc: Ray Williams, Environmental Senior Specialist
Dennis Shackelford, Eastern District Supervisor
