Subject: Asphalt Shingle Recycling – Approval
Alexander County CDLF, Permit No. 0201-CDLF-1997
Alexander County, DIN 20924

Dear Mr. Mitchell:

On April 30, 2014 the Solid Waste Section (Section) received Alexander County's (County) request to include Asphalt Shingle Recycling to the Operations Plan for the County's C&D Landfill, Permit No. 0201-CDLF-1997, entitled;

Operation Plan for Sorting Tear-Off Asphalt Shingles for Recycling. Revised. Prepared for Alexander County. Prepared by MESCO. April 2014. DIN 20921.

The Section has reviewed the County's plan and approves of the immediate implementation of the plan with the following conditions;

1. The plan is implemented in accordance with the approved document, DIN 20921.
2. The approved plan is implemented in accordance with the "*Best Practices Guide for Post-Consumer Reclaimed Asphalt Singles in Asphalt Pavement, CAPA. Prepared by: Carolina Asphalt Pavement Association. September 2011.*" as referenced within the plan.
3. Upon the next submittal of a permit amendment or permit modification application for the C&D Landfill, the County will include this approved plan as an appendix to its landfill Operation Plan.

All documents referenced in this letter can be accessed and/or downloaded at the Sections portal, <http://portal.ncdenr.org/web/wm/sw> Documents. Should you have any questions regarding this matter you may contact me at (828) 296-4704 or larry.frost@ncdenr.gov.

Sincerely,

Larry Frost, Environmental Engineer
