Subject: Determination of Completeness – Application Incomplete
Buncombe County MSW Landfill
Buncombe County, Permit # 1107-MSWLF-1996, Document ID 21354

Mr. Creighton:

The Division of Waste Management, Solid Waste Section (Section) has completed a review of the document titled *Subtitle D Landfill, Phase IV (Cell 7) Permit to Construct Application* (DIN 20913). The document was submitted on your behalf by CDM-Smith and was received in the Asheville Regional Office on May 7, 2014.

The submittal has been reviewed for completeness in accordance with General Statute 130A-295.8(e). A determination of completeness means that the application includes all required components but does not mean the required components provide all of the information that is required for the Section to make a decision on the application. All of the components required by 15A NCAC 13B.1617(a)(1) have been submitted. However, the required permitting activity fee has not been paid, so the application is deemed **incomplete**.

In order to complete the application review, please remit payment of the permitting activity fee per the attached invoice, number SW014-0037.

If you should have any questions regarding this matter please contact me at (828) 296-4703, or by email at allen.gaither@ncdenr.gov.

Sincerely,

Allen Gaither
Environmental Engineer
