Subject: Waste Management - Chatham County Transfer Facility
Permit # 19-03T: Permit to Operate
Amendment #2
Siler City, Chatham County, North Carolina

Dear Ms. MacNish:

Enclosed is a renewed Permit to Operate for the referenced solid waste Transfer Facility in accordance with 15A NCAC 13B section .0201(e) and comments received from the Solid Waste Section compliance staff of the Raleigh Regional Office. Included with this Permit to Operate are the accompanying revised conditions for the above referenced facility, consistent with the information submitted by Mike Loyd of Waste Management, in a letter dated 26 June 1998.

Please note Operations condition #5, which identifies the operational conditions for this facility. Please review the conditions of the permit carefully and if you have any questions or comments please contact the undersigned at (919) 733-0692 Ext. 255 or Robert Hearn, Environmental Technician at (919) 571-4700.

Sincerely,

FACILITY NAME: Waste Management Transfer Station
Siler City, North Carolina

CONDITIONS OF PERMIT

OPERATION:

1. This facility is permitted to receive solid waste as defined in G.S. 130A - 290(35), except that hazardous and liquid wastes are prohibited from acceptance at this facility.
2. This facility may receive solid waste that is generated within the service area described in Appendix I of this document and shall dispose of said solid waste at the Piedmont Landfill(permit #34-06, primary location) in Kernersville, Forsyth County, North Carolina and/or the Uwharrie Environmental Landfill(permit #62-04) in Troy, Montgomery County, North Carolina .
3. This permit shall be reviewed every five (5) years, on/or before 28 June 2004. Modifications shall be in accordance with the Rules in effect at the time of review.
4. This permit is for operation of the transfer facility in accordance with the approved plans, the approved Operational Plan prepared by Marlowe, Drietzler approved 11 June 1993. Any revisions or modifications to these plans shall be approved by the North Carolina Solid Waste Section.
5. Operation of the facility shall occur in accordance with 15A NCAC 13B .0402, "Operational Requirements for Transfer Facilities", the approved operational plans listed in condition five above and these additional requirements:
 - a. The owner or operator of a municipal solid waste management facility shall not knowingly dispose of any type or form of municipal solid waste that is generated within the boundaries of a unit of local government that by ordinance:
 1. Prohibits generators or collectors of municipal solid waste from disposing of that type or form of municipal solid waste.
 2. Requires generators or collectors of municipal solid waste to recycle that type or form municipal solid waste.
