Dear Ms. Newell,

This is to approve the request of **The City of Durham** to use 1988-1989 as the base year for measuring progress toward the state goal.

This establishes the base for solid waste reduction planning as a part of your comprehensive municipal solid waste management program.

We wish you continued success in developing solid waste management programs. If there is anything that we can do to be of assistance please let us know.

Sincerely,

Dexter Matthews, Chief
Solid Waste Section
