Re: Permit to Construct and Operate
City of Durham Household Hazardous Waste Facility
Durham County, Permit No. 3212-HHW-2014, Document ID No. 21235

Dear Mr. Woody:

Please find the enclosed Permit to Construct and Operate for the new City of Durham Household Hazardous Waste Facility, Permit No. 3212-HHW-2014.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at pat.backus@ncdenr.gov. The Environmental Senior Specialist for the facility is John Patrone. He can be reached at (336) 771-5095 or (919) 280-4814.

Sincerely,

Patricia M. Backus, P.E., Environmental Engineer
Division of Waste Management, NCDENR
